# Welcome

As we celebrate twenty years of Simpson Travel, it gives me great pleasure to reflect on the way the company has evolved over the last two decades. Though the pandemic may have placed one or two limitations on our ambitions of late, it has done nothing to curb our enthusiasm or vision for the future and I am enormously proud to introduce our new digital brochure. Illustrating the rich variety of our programme, with some innovative and exciting new additions for 2022, it's a delightful voyage of discovery, showcasing the very best of our portfolio.

We remain a family business, committed to delivering the exceptional service on which our reputation is built, and our passion for travel has only been strengthened by the restrictions of the past two years. Perhaps there is something in the line, "you don't know what you've got 'til it's gone"; so many clients are now looking forward to rediscovering the manifold joys of international travel that the demand for luxury holidays has never been greater.

Whether you're a regular Simpson traveller, or joining us for the first time, I hope you will take inspiration from the pages that follow and entrust us with your holiday arrangements for the coming year.

With my best wishes,

*Graham Simpson*

This commitment to exceptional service sets our handpicked Simpson Hotels apart and, while each has its own unique personality and a spectacular setting that makes it truly one of a kind, together they are united by our passion for going the extra mile at every opportunity. ## TESTIMONIALS

*What do our guests say?*

### The Telegraph

*“[Simpson Travel] specialise in the sort of magical, unspoilt destinations my family loves.”*

Timothy Watson

“

#### THE HARDING FAMILY, CORFU

“Another fantastic family holiday with Simpson. Jackie, our rep, was so helpful – from booking boat rental (a must) to reserving fabulous tables at the local tavernas for dinner. Her service both before, during and after our holiday was extremely helpful and informative. The ease of travelling with Simpson makes looking for holidays elsewhere rather unappealing!”

#### MRS WRIGHT, PAXOS

“Fabulous holiday with Simpson in Paxos! Outstanding customer service at every single stage on our first holiday with them. Faultless! I recommend without hesitation and we will be travelling with them again!”

#### MR SNOWDEN, TURKEY

“Simpson has so far never disappointed us with their service and attention to detail. We will be using them again. Thanks for two years of carefree, wonderful holidays.”

#### MRS SCHOLEY, CORSICA

“Properly vetted properties, lots of help on arrival and all the hassles of booking removed – what’s not to love?”

Simpson Travel customers say EXCELLENT ★★★★★ 4.9 out of 5 based on 575 reviews.

# The road less travelled

*“The road less travelled’ means going the extra mile where others might take shortcuts — and in doing so, we offer a superior experience to all those who travel with us.”*
