

SIMPSON HOTELS COLLECTION

The Simpson Hotel experience

After 40 years' experience in the travel industry, I have come to appreciate that the difference between a good hotel and an outstanding one lies in the detail. Even five stars can rapidly lose their sparkle if the service is lacklustre, yet hospitality that comes from the heart, thoughtfully and generously delivered, creates a holiday that meets the needs of the most discerning traveller.

This commitment to exceptional service sets our handpicked Simpson Hotels apart and, while each has its own unique personality and a spectacular setting that makes it truly one of a kind, together they are united by our passion for going the extra mile at every opportunity. We ask what would our guests

love; what would exceed their expectations? It's a way of thinking that has created a loyal following: guests who return year after year – and that's the best compliment I could wish for.

Best wishes,

Graham Simpson

THE HALLMARKS OF OUR COLLECTION

Small, distinctive and intimate, our family of boutique hotels are united by four simple values...

CHOICE IS THE ESSENCE

We're always extremely selective about the hotels we work with – and many are exclusive to Simpson Travel. We offer child-friendly accommodation and tranquil Adult Only retreats, some of which also open their doors to families during the school holidays to allow these unique locations to be shared by all. This gives older children in particular the chance to enjoy a more stylish, grown-up holiday.

OUR SERVICE IS ALWAYS PERSONAL

Whether it's through our own team or the hotel owners themselves, our commitment to proactive, friendly service touches every aspect of your holiday: a combination of extensive local knowledge and our ability to listen to what matters most to you. From the guidance of our experienced travel specialists, each a destination expert, to the support of our excellent overseas representatives while you're away, we can help you choose the right hotel – and enjoy your stay there to the full.

LOCATIONS SHOULD BE LUXURIOUS

You may be metres from a sandy beach or gazing out across miles of exquisite coastline; surrounded by olive groves or relaxing in the soothing presence of gently rolling hills: Simpson Hotels are chosen not only for what they are, but also for where they are. And where they are is heavenly.

THE PLEASURE OF CREATURE COMFORTS

From the welcome bottle of wine on arrival to the cool cotton bedlinen and beds individually tested for comfort, we never compromise on the essentials of a deeply restful stay. And we believe that every day deserves to begin with a delicious breakfast, homecooked and bursting with fresh, local ingredients.

“We have travelled far and wide with Simpson Travel and I can only say we have found the Jewel in the Crown. The Purple Apricot is a haven of peace and tranquillity.”

Chris & Anne Woodhead, 2017

To while away the hours...

AVITHOS BEACH ESTATE

Family-sized beach suites just a gentle stroll from fine golden sands

“John and Karen and all their staff are absolutely fabulous and cannot do enough to ensure that every part of the stay is nothing short of perfect.” The Bulos Family, 2017

They say that a beach is a feeling as much as a place, and nowhere sums up that carefree, sand-between-the-toes sensation quite as well as Avithos. Even the littlest legs can manage the short walk to the sea, though with a private pool and secluded gardens around the hotel, it's entirely optional!

To while away the hours...

Nearby Argostoli is one of Kefalonia's prettiest towns and also the capital. It's well worth a visit to soak up the atmosphere in the vibrant town square. Melissani Cave, Karavmylos Lake and the Drogarati Caves are all easily reached in a day, as are Myrtos and Assos, beaches which adorn every guidebook to this delightful island.

KALKAN, TURKEY

KALKAN REGENCY

FAMILY-FRIENDLY IN SCHOOL HOLIDAYS*

Legendary service and superlative views over Turkey's Turquoise Coast

Penthouse Pool suite – Draco

Pool suite – Ophiuchus

“An absolute gem of a hotel, I can't recommend it more highly — or its excellent staff and service. Perfect, secluded location, but within an easy walk of the town and harbour.” LH, 2017

The Regency shines like a jewel in the crown of vibrant Kalkan: a hotel with sapphire sea views, a delicious menu of homecooked food and the Turquoise Coast's most celebrated spa. The town's lounge bars and celebrated rooftop restaurants are close by and your hosts, the Tomanbay family, will spoil you like life-long friends.

To while away the hours...

A traditional gület cruise is the most indulgent way to discover the coast, and you can enjoy a full day trip aboard the Regency's own craft Poseidon with our compliments. Catch the majestic ruins of Patara at sunset, or pack your walking boots and explore a stretch of the remarkable Lycian Way.

*Children are welcome 26 May – 2 June, 14 July – 1 September and 20 – 27 October. All other departure dates Adult Only (18 and over).

KALKAN, TURKEY

KORSAN SUITES

A hotel where fabulous service comes with the privacy of your own apartment

Set high enough above the coast for the most mesmerising views, yet still within walking distance of Kalkan's sophisticated centre, these split-level suites are supremely versatile, combining the generous space and facilities of a stylish apartment with the personal service of a boutique hotel.

To while away the hours...

The private Jacuzzis are hard to resist, but the Turquoise Coast merits exploration, so we hope you will take advantage of the complimentary gulet cruise offered to all our guests. Tantalising traces of ancient Lycia lie all around, from the sunken ruins at Kekova to mysterious Patara, still half buried in shifting sands.

"Spent a wonderfully relaxing two weeks at the Korsan Suites and couldn't fault it in any way. The team led by Memduh were friendly and helpful – nothing too much trouble. Would definitely recommend it." Mrs Lovett, 2017

BOZBURUN PENINSULA, TURKEY

LOSTA SAHIL EVI

ADULT ONLY HOTEL

Find a more romantic holiday mode on your own private stretch of waterfront

"Losta Sahil Evi was tranquil and beautiful, offering complete rest with the option of excursions inland or at sea. The lunches were extremely good and Turkish tea with homemade cake at 4.30pm daily, was a real treat." Ms Leigh, 2017

Asia

Amid the charming authenticity of Selimiye village, this enchanting beach retreat is completely without artifice. It takes the timeless pleasure of a place by the sea and adds pretty bedrooms and a simple yet stunningly effective sunbathing platform, stretching out over the jewel-bright Aegean.

To while away the hours...

You'll find superb seafood restaurants, boutiques and jazz bars on your doorstep, but, for many, Selimiye's crystalline sea is its biggest asset, with snorkelling, diving and boat trips around the beautifully unspoiled Bozburun Peninsula. And set time aside to explore the gentle, forest-clad slopes, where the ancient remains of Loryma and Amos await you.

To while away the hours...

Beyond the plains of ancient olive groves, historic Conversano is just ten minutes away by car for dinner with a Michelin star – or soak up the coastal ambience of picturesque Polignano a Mare, where poetry is written on the wooden doors and summer festivals fill the streets with vibrant joie de vivre.

Orchidea suite

Gardenia suite

In addition to delicious complimentary breakfasts, once a week, a spread of traditional Apulian fare is served for dinner, cooked in the stone oven that once belonged to Mimmo's mother.

“A delightful week at La Madonnina! Maria is the perfect hostess; we greatly appreciated her cooking after a day’s sightseeing in this beautiful part of Tuscany.” The McClelland’s, 2017
