NOT TO BE MISSED AS YOU WANDER

THE AREZZO PROVINCE

CORTONA

Made famous by *Under the Tuscan Sun*, this hilltop town is elegantly upmarket with the boutiques and artisan shops to prove it. An atmospheric spot to sip excellent reds from nearby Montepulciano and Montalcino.

AREZZO

Featured in the film *Life is Beautiful*, Arezzo charts centuries of history with its impressive Duomo, churches, fortress and Roman amphitheatre. It also hosts the lively Joust of the Saracen in June and September.

ANGHIARI

Officially one of the 'most beautiful villages in Italy', historic Anghiari is also a member of the 'Slow City' movement, committed to a life lived more fully, more leisurely and with the emphasis on tradition.

LAKE TRASIMENO

Lying just over the Umbria border, Lake Trasimeno has a number of medieval towns gathered around its shores and plenty of attractions to fill a day from wine tasting to walking and cycling in the surrounding countryside.

THE VAL D'ORCIA

BAGNO VIGNONI AND THE VIA FRANCIGENA

This pretty village, a stop-off for pilgrims on the Via Francigena, is the starting point for some spectacular walks – and when you come back, enjoy a hearty lunch in the square, looking out over its famous thermal baths.

BAGNI SAN FILIPPO

Take a walk into the woods for thermal baths as nature intended, including the dramatic Balena Bianca, a towering build-up of natural mineral deposits. With a picnic, you can stay all day under the trees.

PIENZA

Cheese tasting is the order of the day in hilltop Pienza, a Renaissance ideal of the perfect town that's known for its pecorino, as well as its grand palaces, churches and the breathtaking views from its ancient walls.

MONTALCINO & MONTEPULCIANO

If you love wine, these two grand dames of viticulture deserve your attention. Decide who's doing the driving and sip away to your heart's content – or take two days to see them both so you can take it in turns to do the tasting!
