*Distinctive, charming, unique...*

“

“After 40 years’ experience in the travel industry, I have come to appreciate that the difference between a good hotel and an outstanding one lies in the detail. Even five stars can rapidly lose their sparkle if the service is lacklustre, yet hospitality that comes from the heart, thoughtfully and generously delivered, creates a holiday that meets the needs of the most discerning traveller.

This commitment to exceptional service sets our handpicked Simpson Hotels apart and, while each has its own unique personality and a spectacular setting that makes it truly one of a kind, together they are united by our passion for going the extra mile at every opportunity. We ask what would our guests love; what would exceed their expectations? It’s a way of thinking that has created a loyal following: guests who return year after year – and that’s the best compliment I could wish for.”

Graham Simpson, Founder, Simpson Travel

## Family Holidays

The success of a family holiday can be measured by the approval of the hardest to please. Whether you're trying to entertain a demanding toddler, a tricky teen or an ever-so-slightly grumpy grandad, it's a difficult nut to crack. Simpson Travel understands the importance of catering to everyone's needs, offering a variety of options to tick that most elusive of boxes – the perfect family holiday.

### COMPLIMENTARY FAMILY EXTRAS

All Simpson Kids receive a complimentary rash vest and parents can pack light, nurturing contented little babies and tearaway toddlers from the moment they arrive, with an infant pack waiting at the villa.

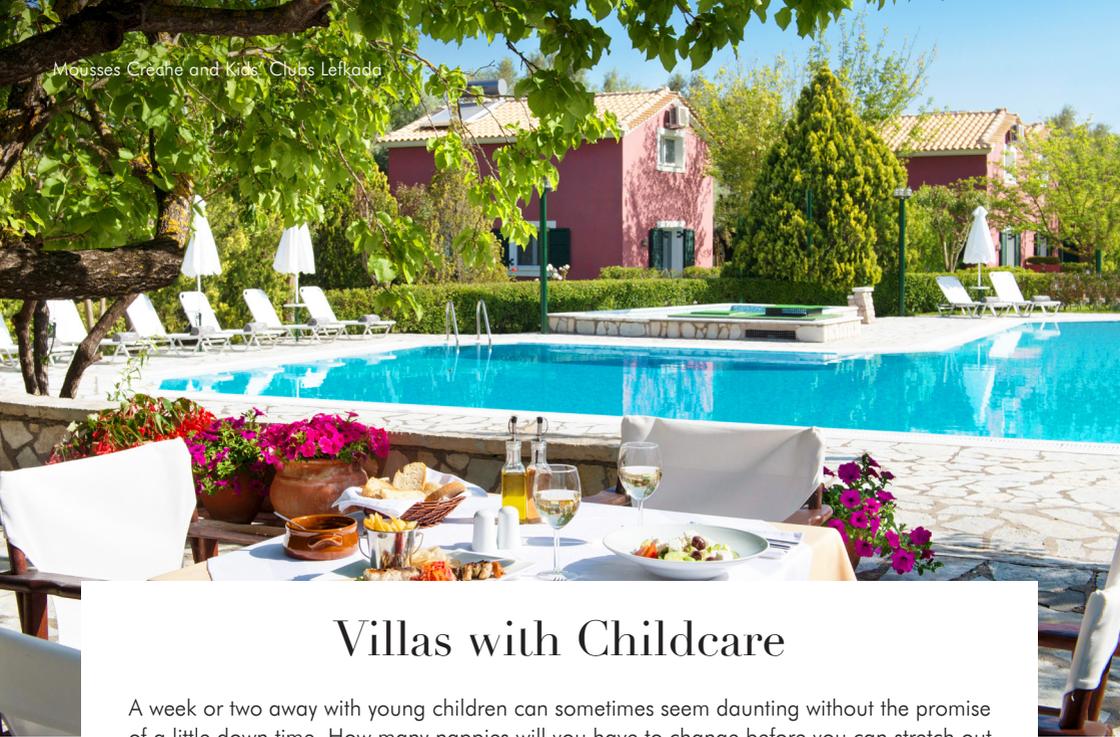

### FAMILY FAVOURITE VILLAS

The pick of the crop for those travelling with children aged 5 to 11 and looking for the luxury of a private villa. With spacious grounds, garden games and a selection of toys, you can be sure of sunny smiles all the way.

### FENCED POOLS

When the youngsters are looking forward to some splash-splash fun but you're worried about safety, Simpson Travel offers a range of villas with gated pools or a pool fencing service to put your mind at rest.

## Villas with Childcare

A week or two away with young children can sometimes seem daunting without the promise of a little down time. How many nappies will you have to change before you can stretch out for a bit of shut eye? How many hours will you have to spend in the pool judging handstand competitions before you can put your feet up with a drink? The answer is 'not too many'... if you choose one of Simpson Travel's villas with childcare in Lefkada or Zakynthos.

## SIMPSON CRÈCHES AND KIDS' CLUBS

Available in Greece at **Mousses Villas, Lefkada**, Simpson Travel's celebrated Crèches and Kids' Clubs offer the best of both worlds for those seeking the independence of a private villa, with expert childcare on the doorstep. A dedicated clubhouse and Simpson's professional team of UK-qualified nannies give parents a chance to put their feet up by day and enjoy an evening or two to themselves mid-week.

# STAY LONGER...

## *Twin centre holidays and flexible stays*

Simpson Travel twin centre holidays offer the best of both worlds, combining some of their most idyllic destinations for two weeks of pure joy. But when one week isn't enough and two is a little too long, their flexible stays may be just the answer. Extend your seven-night villa holiday with a few nights in a boutique hotel and not only will you see more of the country you love, you'll also find it pays to travel mid-week when there's less competition for flights.

## *North and South Corsica*

## *Corfu and Paxos*

## *Meganissi and Lefkada*

## *Kalkan and Kaş*

Calvi, Corsica

## CAR-FREE DESTINATIONS

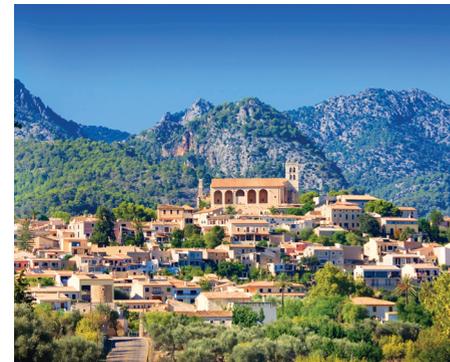

*Take it all in your stride...*

If your idea of carefree is car-free, Simpson Travel has put together a collection of holidays just for you. Stroll to the local taverna, meander round the market, or take a dip in the sea; with everything you need on your doorstep, leave your driving licence at home and take the beaches, shops and restaurants in your stride.

### Kalkan, Turkey

Kalkan is home to an excellent choice of beach clubs, shops and roof-top restaurants. Walk into the Old Town or take advantage of the fleet of inexpensive taxis waiting to whisk you around the bay.

### Pollença, Mallorca

Dating back to the 12th century, the narrow streets of Pollença's Old Town are perfect for wandering and fine dining. Stay in a Simpson villa next to the iconic Calvary Steps or within easy walking distance of the main square and step out in style.

### Calvi, Corsica

Beneath the golden walls of Calvi's impressive citadel, a lively cultural scene draws luxury yachts to its boutiques, pavement cafés and pretty palm-edged harbour. Beyond it all, a three-mile arc of sandy beach makes car-free living a walk in the park.

Samaria Gorge, Crete

## WALK THIS WAY...

Simpson Travel destinations are perfect for walkers, particularly in the spring and autumn when the heat is less intense. From easy 'heritage walks' in Corsica to Turkey's long-distance Lycian Way, you'll find plenty of scenic spots to stretch your legs before returning to the luxury of your hotel or villa for a cooling dip and a glass of the local tippie.

## CORSICA

### *Monacia-d'Aullène Heritage Trail*

Less than three miles long, this circular path near Figari is really just a stroll, accessible to all levels of fitness. There's much to see, including the curious dry stone 'orii' built into the rocks that served as dwellings, burial places and grain silos over many centuries. Enjoy refreshments in Monacia-d'Aullène at the end, or head to Roccapina beach for a swim.

## CRETE, *Mountains and Gorges*

The White Mountains dominate the skyline in western Crete, offering extraordinary views and demanding hikes for experienced walkers. The Samaria Gorge is the classic Cretan walk, but Simpson also suggest Imbros Gorge, where you'll find Dourakis Winery and a fascinating war museum en route.

## TURKEY, *The Lycian Way*

Spring and autumn are the best times to explore the ancient path that meanders along the Turquoise Coast for more than 500 kilometres from Fethiye to Antalya. Most walkers tackle just a few sections, enjoying the sense of solitude and magnificent landscape, with glimpses of ancient Lycia along the way.

## MALLORCA, *The Victoria Peninsula*

The rocky Victoria Peninsula juts out into the sea between the bays of Alcúdia and Pollença. There are many steep paths leading to tiny swimming beaches for intrepid explorers, or you can follow a 15-kilometre circular route from Alcúdia to the viewpoint at Talaia d'Alcúdia for a glorious 360° panoramic view over land and sea.

# Experience *more*

Designed to enhance your holiday and help you make the most of your chosen destination, Simpson Travel's pre-bookable activities and experiences ensure a magical, memorable escape. Whether you're after a private chef or a tour of the local vineyard, cookery lessons or a day out at sea, they'll take care of all the details, leaving you free to experience more of the country you love.
